Elliott & Waldron Abstract Company
Livingston, N.H.

Dear Sir:-

Thank you for your prompt answer to my last letter. As I am not contemplating selling this interest at this time I will not need the abstract now, but I do want a certified copy of the description of the section in which my father had an interest, and I enclose my check for \$3.00 for the cost as quoted in your letter. I would appreciate receiving this at an early date.

Very truly yours,
