

June 25,
1948

Mr. Howard Thomas,
Professor of Art,
University of Georgia
Athens, Ga.

Dear Mr. Thomas:-

Your letter of June 18th sent to me in care of HASTINGS HOUSE, has just been received. I shall be happy to furnish you with a glossy print (8x10) of this picture, page 64 in my TEMPLES IN YUCATAN. This is the front view of the serpent columns of the temple of the Jaguars. The fee will be \$10. for the print and the use of it. In addition to my release it will be necessary for you to have one from HASTINGS HOUSE; this would require a credit line to read -- "From TEMPLES IN YUCATAN" by Laura Gilpin, Hastings House Publishers, Inc. N.Y.

I shall hold the release you included with the letter and send it with the print upon hearing from you.

Very truly yours,

P.S.

I note that you will use this in your forthcoming book on design. Do you need anything from Southwest Indians? This is where I now live.
