June 25, 1948

Dear Miss Gilpin -

I want to express my thorough approval and deep appreciation of *Temple in Guatán*. It is a fitting monument to the time and devotion that its making cost. A better range of subjects could not have been chosen and you have a phenomenal gift for seeing the photographic possibilities of any subject. I only hope the book finds the circulation that it merits. And for your inscription in my copy, I am most grateful.

Sincerely,
Earl Morris
