Dear Miss Gilpin:

I should have sent a list of the several old cards in my letter of March 25th as it would have enabled you to pick out one of these for cancellation. The two that you sent in, that is, "Navahos by fire light" and "Navaho Indian woman" with your letter of April 6th, were not among the seven cards you originally sent us. The titles of the seven cards are as follows:

"Navaho girl" "Navaho Madonna" "Navaho Silversmith"
"Navaho woman, child and lamb" "Navaho weaver"
"Navaho woman spinning" "Shepherds of the desert"

If you will let us know which of these seven is to be cancelled, we will then follow through accordingly. We are meanwhile going ahead with the preliminary work on the new cards and will send you blueprints of this material.

When approved blueprints are in our hands, we will be able to schedule the work for press and produce them in from four to six weeks time.

Very truly yours,

THE MERIDEN GRAVURE COMPANY
