My dear Miss Gilpin:

Thank you for your letter of the 19th and THE PUEBLOS which arrived today.

I have had a chance to just glance thru the book but I am sure that Mrs. Roberts and I are going to enjoy it very much. We have had several very enjoyable visits with Mr. Nusbaum.

At our photographic society meeting last Thursday I told the members about our call upon you and of your new book and also suggested that I thought it would be nice if we could get you to come over some time late this fall and give us about three evening lectures. The club requested that I write and ask if you might be interested and what your charge would be, so if you will let me know I will take it up for action.

Best wishes from Mrs. Roberts and

Yours sincerely,

E. L. Roberts.
