My dear Miss Gilpin:

Pardon me for taking so long again to answer your letter of the 3rd. I waited for a meeting of our club and then since our club has such a small membership we decided to invite some camera club members from a few surrounding towns to come in for your lectures so we have been checking on whether the time would be convenient for them.

If the 28th and 29th are still the evenings that you can be with us, we would like very much to have you on those dates and will make plans accordingly, and shall expect you on the 27th.

Mrs. Roberts has suggested that we would like to have you as our guest while you are here unless you prefer to stay at the hotel.

We like the suggestion that you have made as the subject you will discuss.

I thought we would see you in Santa Fe this week as we had planned to go over there last Sunday but we were unable to secure reservations so we are now waiting to hear from Mr. Cole so that we may plan to go the 16th.

Sincerely yours,

E. L. Roberts
