MARGARET SCHWEITZER-BERN
FOREST PARK RANCH
CEDAR CREST
NEW MEXICO

September 20-

Dear Miss Gilpin-

Miss Moore & Miss Schickel have asked me to write to you as they are very anxious to get in touch with you. They would like to know if you can give them some help in getting more of the ranch folders printed for which you did the photography. They do not remember the name nor address of the printer.

If this letter reaches you could
you write them our correct
address as they would very
much like to come up to
Santa Fe & see you before
you leave, & if you should be
in Albuquerque may be you
would stop & see them.

Yours very sincerely

Mr Schrieffer-Bern
