Dear Miss Gilpin:

At the request of Mr. Tyler, I am writing you in regard to your proposed visit to Los Alamos.

We would like very much to review the material you have written, not as censors but merely from a security point-of-view, and also see the photographs you made of Trinity.

If you will let me know when you would like to come to The Hill, I will make arrangements for a pass to be at the Main Gate for you.

Yours very truly,

H. T. Snelling
