Miss Laura Gilpin,
Box 1173 - Santa Fe, New Mexico.

Dear Laura:-

Your very welcome letter of the 14th. inst. came in and I hasten to forward to you a copy of Cousin Mary's Will, as it seems your original copy was sent to Kenneth in response to an inquiry from him in your be-half, as he was concerned as to what Cousin Mary had left you.

This copy I believe is correct yet is one that I had made here, and it has not been checked to nth degree. Isnt. it about time you were heading eastward again?

Sincerely,

F. L. Thomas

P.S. By-the-way- following up my information letter of a few months ago, about Federal Estate Tax etc., I would say that after regular prodding for several months, the collector finally answered by saying they would be ready to Audit report about Jan. 20th., when I was going to Florida in Jan. on 16th.; wasnt. that the irony of fate.

Well I have written him that I am home now and wish to have his representative call as soon as it is possible- so am hoping for early visit from them; I looked into the law and apparently it is compulsory that this audit be made within a year from filing of return; this being the case he will just be obliged to come in April, or else.
