Dear Miss Gilpin:

I can see no objection to your taking a long-range photograph of Trinity for use in your forthcoming book, provided requisite security precautions are observed.

I would suggest that you make final arrangements for taking the picture with Brigadier General R. M. Montague, Commanding Officer of Sandia Base. I am sending General Montague a copy of this letter and I am sure he will be happy to assist you in getting the photograph.

Sincerely yours,

  
CARROLL L. TYLER
