Dear Laura:

I am preparing the invitations for the opening and reception at the Fine Arts Center on Sunday evening November 14th. Would you let me know approximately how many you would like to have and send us the address list. Inasmuch as they are printed cards with mailing permit on them, it is difficult to send them out unless they are sent in bulk. Consequently, we would like to have all the addresses at one time. If you will send them along we will take care of the addressing at this end.

Greetings to you.

Yours,

MAW:pbs
