Miss Laura Gilpin
Santa Fe, New Mexico

My dear Miss Gilpin:

I had a wonderful weekend with the Morgans and we went out and looked at your exhibit. We are quite anxious to have it here but have no such facilities for display. We will have to put them in corridor cases which are none too safe and will not have special guards for them. They have glass doors with locks and we have never lost anything from them. Does your insurance set up any special requirements? What would be your attitude toward exhibiting only the Texas section? Can you pay us a visit during that time? Please write me what you think of the situation.

Very truly yours
