SANTA FE, N. Mexico.

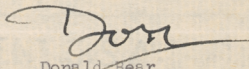

Dear Laura Gilpin,

Thanks so much for your card and for the notice of your new book, which I look forward to seeing. I am sure that we can arrange a showing some time in 1950. Right now our plans are uncertain due to some contemplated remodelling and we have also an unusually large back-log of exhibitions tentatively promised.

I am going to Colorado Springs shortly for a few days but will miss Mitch as he is leaving tomorrow for England.

Again, it was nice to hear from you, and I wish your new book a great success.

Sincerely,

Donald Bear
