Santa Fe, New Mexico.

Dear Miss Gilpin:

Thank you for your letter of July 12th. I was in Santa Fe Monday and Tuesday, and regret that I had not received the above letter, and, consequently, I did not contact you. I will be glad to discuss this matter at any time, at your convenience, but I believe that you should write me for an appointment to be certain that I will be in town.

If the Colorado Probate does not reflect any instrument divesting title from your brother, then it is my present opinion that you will have to procure a deed from your sister-in-law, or that she will have to execute an oil and gas lease, since apparently she owns an interest in this land.

Yours very truly,

HERVEY, DOW & HINKLE
