Dear Miss Gilpin:

I have just received my mail from Hereford, which was forwarded here, and I find your telegram with the mail. I am sorry this failed to reach me in time to talk on the appointment.

However, I expect to be passing through your city this week end, in route to Farmington, at which time I will try to locate you and acquaint you with all the things that are transpiring here.

I have not as yet made any lease on the royalty which I hold in the Caprock area.

It would be easier for me to locate you if I had your street address, perhaps, you would like to wire this to me at my address here, 410 South Kansas, I am

Yours very truly,
