Box 1173  
Santa Fe, New Mexico.

Dear Miss Gilpin:

In closing our books for the year 1948, we find that your first order of July 13th ordering a set of Permatone Dyes instructed that they be shipped C. O. D., and that subsequently (under date of August 27th) you included \$7.00 in your remittance to cover the dyes which had already gone forward and for which we received postal money order for the C. O. D. shipment.

Your account is, therefore, overpaid by \$7.00 and we enclose our check to balance the account.

Yours very truly,

CURTIS LABORATORIES, INC.
