837 El Caminito
Box 1173
Santa Fe, New Mexico

Dear Miss Gilpin:

I appreciate your inquiry about photographing our house because Mrs. Griffin had shown me photographs you had made of her house at Taos. Our house is being replastered now, consequently is not in condition to be photographed.

During July some time if you are up in our neighborhood why not stop and see us and give us some prices and get ideas of what we have.

Yours very truly,

W.C. Duncan
