

Dear Kaufelino:

I couldn't imagine writing a letter introducing any one to you with more pleasure than I have in writing this one — for Laura Gilpin, the photographer (some of whose slides of the Indians and Mesa Verde, we had in the collection at CCNY — slides that she made for me).

I know you will both enjoy knowing each other, and that is why I have suggested writing this letter for her. I am sorry you were not here with Baker last night!

As ever
