Dear Donald:

Thank you for your letter. I am glad that you liked the looks of the book, and I hope you will like the originals better. Unless Mr. Ryewaters has made some arrangement for Houston or Austin that I know not of, I shall be happy to send the prints to you for April. May we leave it that way until I see him next week, and should there be any change I will let you know immediately. I sincerely hope that it will be possible for me to come out when the show is there, for I have long wanted to see what you are doing in Santa Barbara. I certainly hear about it from many sources.

This brings my best wishes.

Sincerely yours,
