Mr. W.B. Bondurant, Jr.,
Horvay, Dow & Hinklo,
Roswell,
New Mexico.

Dear Mr. Bondurant:-

In the same mail with your letter came a letter from the lawyers who have succeeded the Sherwin & Hangerford advising me that my brother did sign a waiver of citation, a copy of which I enclose herewith. If this is satisfactory for you to proceed with the probaton of my father's will as it was written I will send for a certified copy of this instrument at once.

I will wait to hear from you before coming to Roswell, and it may be that you will want me to wait until this certified copy comes. In any event I await your instructions.

Very truly yours,
