

Oct. 5,

Dear Edith,

Ay apolo for bein' so lon in answerin
 ur letter. I am pretty cramped and only myself to
 write my letters! Yes, I shall be glad to do the
 broadcast if you think it helps. I presume that I
 get to-gether with Ben Ripley to go over questions
 etc. some time Monday morning.

Doty is coming up with me this time and we will
 be at Harry Robbins'. She goes east to-morrow and
 has offered us her house. We will come up Sunday the
 10th. Will it be time enough to put up the prints on
 Monday morning? If you have your garbans up it will
 not take long to hang them. If you only want them for
 the day, I'll bring some of the prints from my
 show as it does not go up here until Nov. 6. I will
 also bring two or three duplicates to leave with you for your
 window if you wish.

I am on pins and needles now until I see a copy
 of that book. I pray for a good printing job. Did
 you see the U.S. P announcement in the N.Y. Herald-
 Tribune of Sept. 26th? I am amazed to have them give
 the book a full page.

We are dining with Hazel and Brownie Sunday eve,
 otherwise you will find me at Harry's. We expect to get
 up sometime in the afternoon.

Best wishes
