

Sunday A.M.

Mr. Ed Hannigan,  
U.S. Camera,  
440 Lexington Ave.  
New York 17. N.Y.

Dear Mr. Hannigan:-

Here is the article. Sorry not to send you cleaner copy, but I am very pressed for time. And I hope most of all, that this is what you want. It could be smoother if I had more time to work it over, but this is the best I can do under the pressure of short notice.

I regret more than I can say that D.S.&P forgot to submit something for me to the annual for they specially asked me about it. It would have been fun to include my Rio Grande from almost the same point as Ansel's. However, I consider the thunderstorm the best thing in my book.

Please excuse hast, but must get this in the air mail so that you will get it to-morrow morning.

Sincerely yours,
