MODERN PHOTOGRAPHY

Dear Mr. Knoop:-

I enclose herewith a folder of my photographic story RIO GRANDE-RIVER OF DESTINY. The book has its official release October 17th. This folder really gives little idea of the book on which I have been working for four years. I hope that you will see it, and that it may have some interest for you.

Several years ago I served on the jury at the Wichita, Kansas Salon with Mr. George Hoxie. At that time Mr. Hoxie expressed great interest in this undertaking and requested some prints for reproduction in MINICAM. I promised him that he should have them. As yet, I have released nothing, and in view of my promise to Mr. Hoxie, I pass the same on to you if you should wish it.

I go to Colorado Springs for an autographing affair on Monday and will return to Santa Fe Wednesday, after which I shall be glad to send you anything if you wish it. The book should be in all bookstores by Monday. Duell, Sloan and Pearce have done a remarkable job in production on the book holding it at this price, and on the whole I am greatly pleased with it.

Hoping that you may find interest in this undertaking, I am
