Miss Elisabeth Ann McMurray,
McMurray's Bookshop
1360 Commerce St.,
Dallas, Texas.

Dear Miss McMurray:-

Thank you very much for your note of Oct. 12th. I am filling the order for Mr. Trelor Russell out of my own stock as I have a few copies here with mailing cartons. When the other copy arrives from Duell, Sloan & Pearce, I will put it with my own.

I am very happy that you think well of RIO GRANDE. It is off to a very good start here, yesterday and to-day. We had to step up the official release here as I had promised to be in Colorado Springs (my home town) on Monday. I go up to-morrow.

Plans are just completed for an exhibition of my originals (about 150 of them) at your Dallas Museum for December. The prints will be on display here in Santa Fe opening November 7th for two weeks. I am to come over for the opening in Dallas. I suggest that you get in touch with Mr. Bywaters as to the possibility of having books on sale at the Museum.

I have just been talking to Miss Roberta Roby, formerly of the Villagra Book Shop here, who tells me that she knew your mother and father, and she sends her greetings to you.

If there is anything else I can help with, I shall be very happy to do so.

Cordially
