Dr. Anna Martin, Dean of Women,
Highlands University
Las Vegas, N.M.

Dear Dr. Martin:-

At the request of Mrs. John Young-Hunter,
I am mailing you herewith two prints of Dean Kennedy's
portrait.

Mrs. Young-Hunter also asked me to send you figures on
such duplicates of this photograph which you might have
for sale at the University. My price for just a few copies
of prints of this quality would be \$2. each, but if you
wish them in quantities of 50 or more, I could make them
for \$1.50. Mrs. Young-Hunter said that you might sell these
for a special fund. If so you should sell them for not
less than \$2. and I believe that \$2.50 would be about right
for such a purpose.

I am just leaving for a trip to New York and will be
back the end of June. After my return I shall be glad to
fill any order you may have by that time.

Sincerely yours,
