 Taos, N.M.

Dear Miss Morrill and Miss Jansson:

Your letter came last night and I appreciate all your plans. Ed. Walters asked me some ten days or so ago to come to the Book Fair and he got Nov. 15th for the day. (and evening). As to my prints, I shall be happy to furnish some duplicate prints for the event, the whole thing, however, is so too big an undertaking for just two days. And besides it will be up at the Museum here from Nov. 7th to 22nd. It then goes to Dallas. I can furnish some fifteen or twenty duplicates, and also some of the Tucson if you wish.

Ed. Walters Book is having an embargo affair. Friday afternoon, and Santa Fe Book on Saturday. Then Sunday I go up to Colorado Springs for the same thing there on the official publication date, Oct. 17th. Then you can hear to-morrow, I hope you will let me know. I go through Taos on Sunday morning on my way to C.S. Would you like one or two prints for your window next week? Do look at the Santa Fe Book display when here.

I am happy that you like the book. I think they have done a wonderful job for the price, the quality is good. Some imperfections, but--

I want to get this right in the mail so excuse haste,

Best sincerely
