Dear Miss Ramago,

It is very good news to hear that the book is going so well in your city and that you yourself are pleased with it. That means a lot. All the reports I have had so far seem to be very similar and I hope that the book will really go over.

Yes, indeed, I sell individual prints. Prices as follows:-

8x10 size	\$15.
11x14	25.
16x20	50.

I don't think I sent you any of the 16x20. I have only made a few of subjects that really call for size. I am glad that you will be in Santa Fe on the 11th, and I hope that you will drop in at the Museum for my exhibition of 125 prints from the book will be on display. It goes to Dallas Dec. 1st and I have to go with it. I shall try to get down to Albuquerque between Nov. 15 and Dec. 1st. I have just been swamped with extras and lots of Christmas work in as well.

With best wishes, and good luck,

Sincerely

P.S. I do not need the prints until Nov. to take to Los Alamos, so if you prefer to wait and bring them up it will be quite all right.

If you should sell any prints would you be kind enough to check to see if they are signed and properly identified on the back of the mount? I sent them off in such a hurry, I can't remember.
