Dearest Anne,

Thank you many times for all the clippings SEE-IT-ALL CLIPPING SERVICE sends me. What is the price of a subscription, please? How ~~many~~ cover newspapers, magazines, etc. I am very impressed.

Various things are coming in in the way of reviews, and my "slipping syntax" as referred to by Oliver LaFarge is beginning to worry me. How thankful I am that I don't pretend to be a writer.

I shall be happy indeed to make the additional prints for you just as soon as I return from Dallas and will get them off to you as quickly as possible.

Many thanks to you for all your thoughtfulness.

Affectionately,
