Miss Elita Wilson,
Westport, Conn.

Dear Miss Wilson:-

Thank you for your inquiry about "The Water Hole, Acoma". You may or may not know that that picture is the frontispiece for my book THE PUEBLOS. Yes indeed, I sell individual prints of it. The original negative is 8x10. A print that size is \$10. or the 11x14 enlargement is \$15. I shall be very happy to make either size for you. I have had a gratifying response to the display in that window. You may not know that the window belongs to the First National Bank, and they give the use of it to their clients. Also with it goes a good ad in the paper and a radio mention all the time once things are in the window. I don't believe that such a thing could happen anywhere else but Santa Fe!

I enclose the announcement of my new book which will be out Oct. 17th. There were five prints from this in the window also, but of-course not enough to give any idea of the book which has 242 plates.

Thanking you for your enquiry, I am

Sincerely yours,
