Dear Miss Gilpin:

Glad to hear you are tackling the story and will have it to me by the 28th. And, I hope that your show will be booked in New York so that I get a chance to see it. I can well imagine the rush you are in to get everything straightened away. My request didn't help matters, I guess, but I'm happy you will be able to squeeze it into your schedule.

In regard to your query on the 1950 Annual, the book department informs me that Duell, Sloan and Pearce did not submit any of your work for consideration.

Sincerely yours,

Ed Hannigan
