Gentlemen:

I'm sending one dollar for Pictorial  
Post Cards sets one, two three, four, Navaho.

Do you have any other and also pictures of Baskets  
Pottery arrow heads mortars or other artifacts that  
I could get for my Indian lore class at Camp as  
the artifacts themselves are too expensive for the children  
to buy am forced to use pictures in scrap books.  
Please send lists and prices in quantity. I am starting  
a class of Boys July 10 and a class of girls July 24  
Thank you
