

McMURRAY'S *The Personal Bookshop*

Oct. 12, 1949

Dear Miss Gilpin:

Your book RIVER OF DESTINY is perfectly magnificent. Our advance orders on it are good and we surely hope to keep right on selling it as one of our favorite books for a long time. Only one customer insisted on an autographed book.... so I am sending you (at the suggestion of Mr. Hurdon) one copy to sign to Traylor Russell and to send on to him under the enclosed label with the attached postage. The book will come to you wrapped sufficiently so that the same wrapping can be used to forward it.

I hate to bother you with autographing and shipping but I know the customer will be most grateful... as are we.

Sincerely, *Elizabeth Ann*
