Dear Miss Gilpin :

I am sorry to have put you to the inconvenience of writing. What happened was that vacations came after the Centennial and I myself was in New York for two weeks. Consequently I have not been able to get at the material.

I have not my check list and if you will check yours, I should be obliged. I haven't gone through all my pictures and if one is missing, please let me know at once.

Thank you for your kind words about the edition. I'm glad it's over and that's sheer understatement.

Sincerely,

William Mc Nulty
