Dear Miss Gilpin:

Due to extremely favorable reports about the recent photographic exhibit of the Rio Grande shown at the Museum of New Mexico, this institution would be interested in presenting the display in April 1950.

I may mention that my wife is managing the local bookstore in Roswell and that arrangements could be made with her for a conspicuous display of your book at the time the exhibit would be shown at the Museum.

Should you be interested in cooperating with us in this matter, we would greatly appreciate hearing from you at your earliest convenience.

Very truly yours,

Thomas M Messer
