Dear Laura:

Yesterday I went in to Duell
Sloan about the second edition of the
Graham book and met Walter
Goodwin — and instantly liked
him. He tells me that you are
back in Santa Fe.

I am sorry I did not
get to see you another time. I
called two or three times at various
intervals — unsuccessfully.

D. + S. + P. seem happy
over your Rio book and I am
looking forward to it.

If you hear of any Indian tribes - any medicine men - who realize that their ceremonial will soon pass in their purity - and would cooperate with me to photograph them for posterity please let me know - I mentioned it to Walter G. who thought it a good idea and something that should be done in the next few years - but how?

I hope your new Santa Fe' regime will work out happily and productively. We were certainly glad to have a glimpse of you - and thank you so much for the exhibition of your fine opus.

Herb joins me in warm greetings,

Barbara
