Dear Miss Gilpin :

We are both so glad that you are definitely coming to the Book Fair , and that though the photographic show is not available - and of course we understand the reason - we can have the duplicates of both the RIO GRANDE and YUCATAN books . Thanks very much .

The new book is being greatly admired - not only for the beautiful photography ,but for the fine feeling for the river and the life along its course. Fine that it is starting off with such a good play in Santa Fe and elsewhere .

Meanwhile our plans for meeting in Santa Fe today were changed by the Los Alamos committee and we now go up there Monday ,the 17th .

Since you are going through Taos on Sunday morning, we would love it if you could bring us a couple of prints to use in the window, as you suggested. Since we have a house guest, we may not be here all day, but would appreciate it if you would call us - phone 03R3 - as we would like very much to meet you, if you have time. But if you cannot contact us, will you please leave the prints at the desk in La Fonda Hotel, and we will pick them up Monday morning. (We do mean La Fonda hotel in Taos.)

Our very best thanks for such beautiful co-operation. We hope it will be profitable both ways .

Most sincerely,

Claire Morrill
