Dear Miss Gilpin;

In connection with the illustration of a high school textbook on world history which we are preparing, we should like to make use of some photographs of yours which appeared in NATURAL HISTORY magazine. May we have your permission for their use?

The photographs in which we are interested are of Chichen Itza, one a general view and the other of the main portal. They appeared in the June 1940 issue of the magazine on pages 9 and 11 respectively.

Would it be possible for you to furnish us with glossy prints of these photographs? We shall be glad to pay whatever is your usual charge for this service.

We shall appreciate greatly your help in this matter and shall of course include the customary credit line along with the final use of the pictures.

Yours truly,
