Dear Laura

How extremely kind of you to offer
to endeavor to recover my two pieces of jewelry,
the turquoise necklace & the silver bracelet, &
also to place my S.W. things in some shop where
they might be sold.

I will have them sent to you & send you a few
that are still here.

Enclosed is a letter authorizing you to recover
the jewelry, which I hopw works.

My best to you & Betsy & the very best of luck.

ever yours affectionately

Sophie

Have just had a 3 day sale in my garage & made
quite a bit of money.
