Dear Mrs. Gelpin:-

I would like a list of your expenses on your trip up here so that I can O.K. a voucher to re-imburse you. — but, more, I want to thank you, more than mere words can do, for acting as our award juror for Photography.

Among those who knew photography, your awards were accepted almost entirely without dissent. Even among the uninitiate your selections were received with more than the usual accord.

Again many thanks for your help — and I'll keep in touch with you about a real photographer's show next year.

Sincerely

Always

Ed Schuyler
