

CHARTER NO. 5561

THE FIRST NATIONAL BANK

OF SANDY SPRING, MD.

SANDY SPRING, MD.

August 6th. 1949

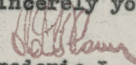

Dear Friend:-

The attached adding machine list represents the four checks, in order, which were sent to you, including the one for \$ 91.10 enclosed herein, and the total corresponds to the amount listed on the Release-Receipt enclosed also.

Because of the length of the accounts filed in the Orphans Court and approved by said Court, which incidentally required twenty-four sheets of Fools-Cap paper, I have abridged same to the two pages enclosed, eliminating much tedious detail, but setting forth all salient facts; and I trust it will be more comprehensive because of its simplicity. In event you desire any additional details, I will gladly furnish them, or the records at Rockville will disclose same.

It was a great privilege to know Cousin Mary Gilpin and work with her, and tho the present stage is a sad one, we all realize that her memory will endure, and the endless deeds she performed in her modest way, will not soon be forgotten; the world is better for her exemplary life lived in it.

Sincerely yours,

Frederic L. Thomas, Executor.

P.S. Will you kindly sign and return the Release-Receipt form in order that I may file it in Orphans Court records, as required.
