Miss Laura Gilpin
Santa Fe, New Mexico

Dear Miss Gilpin:

I am glad to have your card with the announcement of the book, "The Rio Grande," by Laura Gilpin.

We of course will be greatly interested in the volume because it is a record of your important work in photography along the course of the river.

I saw the photographs when they were on display in the Fine Arts Center and surely they are beautiful.

Sincerely yours,

Malcolm G. Wyer
Librarian
