

Miss Laura Gilpin,
Box 1173,
Santa Fe,
New Mexico.

Dear Laura:

I have your nice letter of the 31st. ult.

I have not received any publicity or never known about the house that is selling your book so please order them to send me 50 of them, advising me at what price I should sell them, etc. In case they would like to have the money in advance, please let me know so I may send it to them.

Regarding your friends Dr. Bertha Dutton and Miss Catherine Farrelly, I have written them, as per your desire and I feel they will give you good reports of my bad person.

Plenty of love,

Fernando
