Dear Laina.

I have just got back to America, & now very much want 2 copies of your book, which I can't get sight of, & which looks quite lovely.

I send 12 50 for postage too.

I can't hear of the Lunts, I rather think people of that name had a ranch near here, but have left some years ago.

There are students (?) of that name, but I wonder whether

they are your friends? I
would so like to have met
Mr. & Mrs. Lunt.

Alas, I don't get down your
way, as I'm in charge of
my brother's two small children
when they are in England, which
is now.

All good wishes for great
success of the book

Barbara Cooper
