Dear Miss Gilpin,

I should like to order,
per Miss Preston's suggestion
and my own familiarity
with the book, 6 copies
and 1 desk copy of the
Rio Grande River. Miss
Preston asked me to tell
you that these books are
in addition to those which
she ordered for her section
and that the books and the
bill are to be sent to the
school. The Potomac School,
2144 California St.
Washington, D.C.

Thank you very much.
I know we're going to enjoy
using the book very much.

Sincerely yours,
Margaret F. Cramer
