Dear Miss Allen:-

The prints are on their way to you and herewith is list of them. I have made a selection from each section in the book and suggest that you group them this way if possible in your showing of them. I have enclosed also some lettered labels for the large prints as the mounts make it impossible to letter on them direct. The labels are all numbered to correspond with the prints.

I hope that this smaller showing will be of interest to your visitors and I shall look forward to hearing from you about it.

With best wishes, I am

Sincerely yours,
