Mr. David Cole,
LaFonda,
Santa Fe, N.M.

Dear Mr. Cole:-

As the new addition to LaFonda approaches completion, I am wondering what plans you have for pictures for the walls of your new rooms. Would you be interested in a few original prints either from my RIO GRANDE book or other New Mexico subjects.

Recently I made some photo murals for the Santa Fe Book and Stationery Co. At sometime, you might want to consider something of this sort.

Is Miss Colter doing the decorating of your rooms or has she retired from active work? I knew her many years ago. I have been told that she has been here in Santa Fe but has been in Honolulu this summer.

Should you be interested in pictures for your rooms, I shall be happy to come in to discuss it with you. I shall be here through this week when I go over to the Navaho country again on a project I am now working on. Will be gone about two weeks or a little more.

Sincerely yours
