Mr. Thomas M. Nesser,
The Roswell Museum
Roswell, N.M.

Dear Mr. Nesser:-

Thank you very much for your letter regarding my RIO GRANDE prints. Since writing to you the exhibition has been in Dallas. It was scheduled for Santa Barbara in April which has been changed to September, (changed three weeks ago), and also was to go to Kansas City in June. Just last week I heard from Mr. Gardner that owing to the Jubilee celebration they would have to change my dates, which will now be sometime next year. Wichita Kansas is at present negotiating for a date, but nothing has yet been decided upon. So with the exception of the month of September, the road is clear. I have been busy and have not done what I should have done regarding other showings. Let me know what would fit your calendar best and the time will be reserved for you. The prints are right here in my studio at the moment.

Very truly yours,
