Mr. Thomas M. Messer,
The Roswell Museum,
Roswell, N.M.

Dear Mr. Messer:-

Thank you for your letter of the 16th. As I have not yet heard from Wichita or a re-arrangement of dates from Kansas City due to the Jubilee, I shall be happy to put you down for the dates February 4, to March 4, 1951 for my Rio Grande prints. I guess other people seem to have as much trouble as I do getting mail caught up. I am so far behind that I am taking today off and beginning at the top of the pile!

I shall write later to the Alley Book Stall regarding the promotion of the book while my prints are on display.

Sincerely yours,
