Senor Humberton Sanches,
The Merida Museum,
Merida, Yucatan
Mexico.

Dear Senor Sanches:-

The bearers of this letter are two very good friends of mine here in Santa Fe, New Mexico. I am very anxious for them to meet you so that you may show them the treasures you have in your Museum. For many months I have been hoping to find someone to whom I could entrust a copy of my ~~TEMPLES~~ IN YUCATAN to bring to you as a token of my good wishes and my remembrance of the many kind things you did for me when I was in Yucatan last. It is hard to realize that it is four years ago that Miss Robey and I were there.

Dr. Dutton is a member of the staff of THE MUSEUM OF NEW MEXICO, and is coming to Yucatan for special study at Chichen Itza. You two will find much to talk about, and I know you will enjoy both of these friends of mine.

~~So~~ that this will find you in good health and that you will approve of my little book which I prepared with very great interest. I hope that before another year expires that I will be able to return to Yucatan, for it fills me with the desire to return when I write this letter of introduction for my friends.

With kindest regards,

Most sincerely
