Gentlemen:-

I received your News Letter a short time ago and I am interested in two items listed in it. I enclose my check for \$92.95 for which please send me the following:

1 Photo-Slavey	\$16.45
1 dry mounting press	76.50
	<u>\$92.95</u>

If you have batteries for the slavey, would you add one and send me the bill as I might not be able to get one here.

Please put my name on your catalogue list as there may be other items I may want later. I would appreciate the shipment of the slavey immediately, the press which is doubtless heavy can come by slower transportation, but I need the slavey as soon as possible.

Very truly yours,
